# ACOUSTIC CIRCULO

## ACOUSTIC CIRCULO

- Simple modern design with clean lines
- Designer: Karl-Erik Grönlund
- Tested acoustic effect
- Excellent bright and pleasant LED light
- Dimmable (TRIAC), available also with DALI in request
- Fits to a variety of places and specially to places where you want to improve the room's acoustics
- Material: recyclable acoustic felt and acoustic filling in different colors, white aluminum and white acryl
- Wonderful in its simplicity alone but gets an extra allure if you hang several or different sizes in a group
- An excellent choice if you are looking for a combination of good light, modern design and sound reduction elements

For offices  
For lounges  
For homes

## STANDARD COLOURS FOR THE ACOUSTIC FELT

- 501** Off-white acoustic felt
- 502** Light grey acoustic felt
- 503** Dark grey acoustic felt
- 504** Black acoustic felt

Also available with  
Gabriel's Europost 2  
fabrics in multiple colours.

## VALAISIN GRÖNLUND OY

Valaisin Grönlund is a designer and producer of interior lighting and lamp shades. We represent a wide range of high quality products, designed for people who are looking for style and individual design. Our products can be purchased at furniture stores, department stores, as well as individual lighting and interior stores and online web shops.

An addition to our standard lighting collections, Valaisin Grönlund produce special one off lamps and other bespoke architectural lighting to individual specifications from architectural drawings or sketches. We also offer lighting design services and are able to work with customers from the beginning of a project.
