The cloud sofa is constructed in wood and foam, where the foam parts are connected to the wood base by steel connections. The foam of the side, seat and back is covered with dacron.

The finish of the upholstery buttons depend on the choice of fabric and colour.

1. Fire retardant moulded foam and dacron
2. Elastic straps fixed in steel frame
3. Steel frame, covered with dacron and upholstered
4. Chromed steel legs (a 5th central leg is included)
