Lolita table lamp

by Nika Zupanc <p>Who is afraid of pink? My imagination chases female archetypes intentionally. Frivolous, even naive objects are my favorite victims. And when, during such a process, I manage to be creative in an evidently reserved way, I then touch the purest meaning of my work and frivolity becomes timeless elegance. Lolita is here to play with your emotions. She is here to break your everyday routine.</p>

Designer

Nika Zupanc

Year of design

2008

Material

Injection moulded ABS shade, polyurethane base

detailing

The Lolita shade is characterized by a dainty polka dot edge.
Inside the Lolita shade lies a warm white glow.
