LET'S MEET

In the activity based work place, The R5 Work.Meeting products can play a major role. It is in the meetings between people that the organizations core competences develops. The R5 Work.Meeting series is a complete and versatile table series for meeting places in a large number of different formats and heights. The tables are available with either a X.foot or a T.foot.

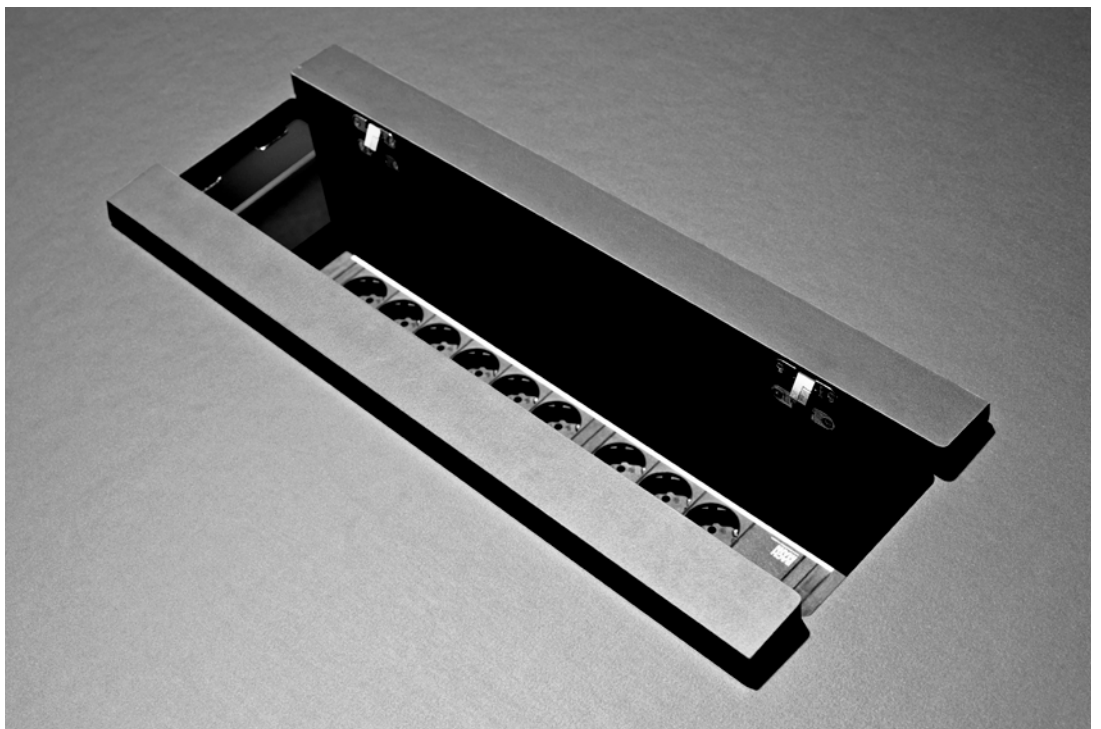

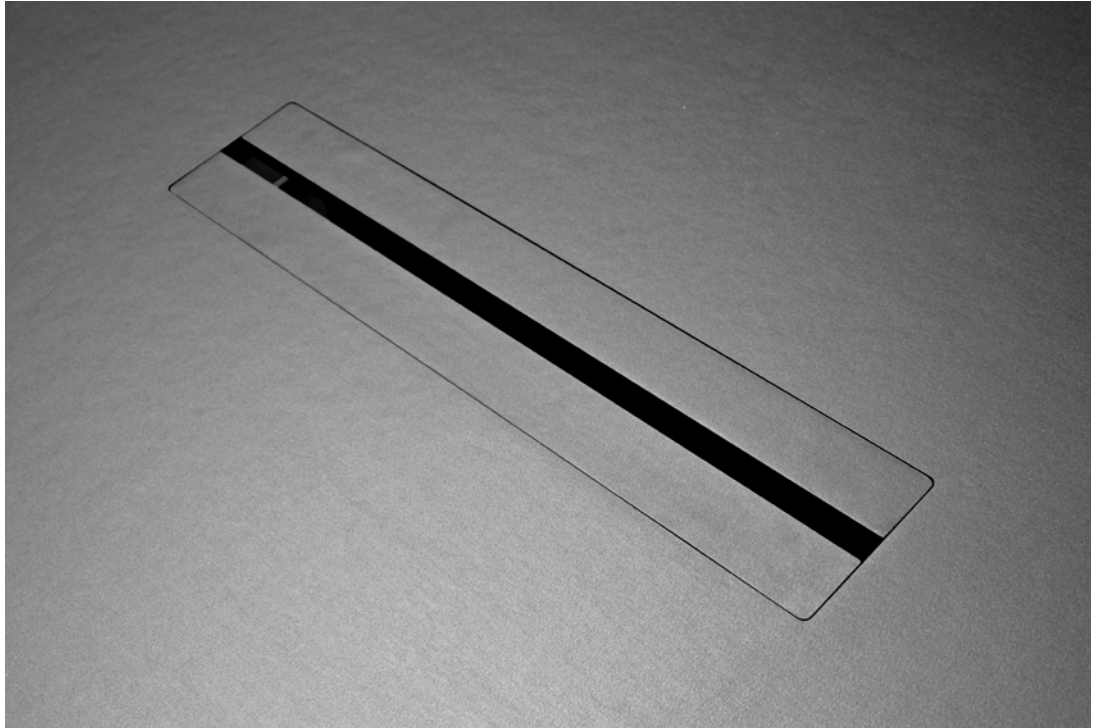

DESIGN

The foot in solid steel gives the R5 Work.Meeting an obvious relationship with the R5 Work.Station and the R5 Work.Conference.

ACCESS TO CABLES AND POWER PLUGS

You can solve accessibility to cables and power plugs by adding a cable cover on hinges with a cable tray.
