

TEMPO t41 table

design Timo Saarnio

Perfect match for Tempo chairs are elegantly shaped Tempo tables. The tables have a precise look to them due to the frame circling the edge of the table top. You can especially notice this in t41 table which also has three legs adding to its originality. The base of the table is 30x30 mm square pipe, the table top is 14 mm plywood with natural edges. Glides for the legs come as a standard.
